The Newsletter of the Tahoma Choirs

March/April 2009

## Congratulations

Congratulations to Cherubim and Intermezzo singers who participated in last week-end's performances with Rainier Family Opera -- we are so proud of you! We heard many compliments from both the audience and the cast. Your commitment, diligence, leadership, and enthusiasm made us many new friends within our community. Thank you for your excellent music-making, and thank you, parents, for your support and good will.
